

Jaye Houle

Jaye Houle is a full-time studio artist. She began working in glass in 1980 while living in Houston, Texas and started her glass business in 1993 while living in Toronto, Canada. She has taught stained glass and fused glass techniques in her home studio. Her work has been exhibited in galleries and juried exhibitions throughout the US and Canada and commissioned by collectors here and in Europe. In 2006 she received an Artist Enhancement Grant from the state of Florida. She was born in Colorado and attended Clark University and University of North Carolina receiving a B.A and M.A in geography. Jaye currently lives and works in Tallahassee, Florida with her husband David and their two cats.
